## **ANNOUNCEMENTS:**

As a ministry team we would like to thank everyone for the responses to the Bethel Statement of application and practice. It was an almost unanimous vote to support so we will be moving forward and adopting this statement of application and practice. We want to thank those who shared their concerns as they supported moving forward and also those who want to continue to have conversations with us about things in the future. If there are further discussions people want to have about this please talk to us as pastors. God Bless and thank you again to the Bethel congregation.

October 15-Sunday Eve Service, Panel discussion with some of the long term members of Bethel.
